

FREE SALE CERTIFICATE PROCEDURE

The interested company submits to BNAEOPC the following documents:

1. Application for issuance of a certificate for free sale of cosmetic product / s
2. Product notification number in CPNP
3. Copy of the Declaration of safety of the cosmetic product

Based on the submitted documents, BNAEOPC issues the requested certificate to the company.

Certificate's validity: 1 year

The pricing of the service is:

- **for the first product in the application** - BGN 50 /including a notary fee if necessary/
- **for each subsequent product in the application** - BGN 15 /for quantities over 20 pcs. a discount is calculated/
 - The certificate is issued for / up to 5 countries indicated by the applicant; In case of more than 5 countries, BGN 10 per country is calculated
 - Hair dye counts as one product, regardless of the number of tones. Oxidizers are charged as separate products
 - For issuance of a second and subsequent copy of a certificate - BGN 10 per item /including a notary fee if necessary/
 - For amendment and / or supplementation of a text in an already issued certificate (eg addition or removal of a country and / or product) - 50% of the value of the certificate /including a notary fee if necessary/. In this case, the certificate is issued with the date of the original certificate.

The deadline for implementation by BNAEOPC should be up to 3 working days from the final version of the certificate approved by the client, for which the application has been submitted and up to 5 working days if notarization of the certificate is required.

This service is available only for BNAEOPC's members
