

# B.S.E. DECLARATION CONFORMITY PROCEDURE

---

The interested company submits to BNAEOPC the following documents:

- 1. Application for issuance**
- 2. Quality composition of the cosmetic product**
- 3. A statement that the product does not contain raw materials of animal origin and therefore does not pose a risk to B.S.E. infection**  
or
- 4. Declaration, composition of animal origin produced from healthy animals and in a way that excludes the possibility of disease from B.S.E. / "Mad cow" /.**

The authenticity of this declaration shall be supported by appropriate documents from the manufacturer / supplier of the ingredients.

Based on the submitted documents, BNAEOPC certifies the B.S.E. the declaration (under item 3 or item 4), signed by the manager of the manufacturer.

The pricing of the service is:

- **for the first product in the declaration** - BGN 30.
- **for each subsequent product in the declaration** - BGN 20.
- *for certification of the second and subsequent copy of the declaration - BGN 10 per item*
- *for amendment and / or supplementation of a text in an already certified declaration - 10% of the value of the original document, but not less than BGN 10 and not later than one year from its issuance.*

**The service is available only for BNAEOPC's members**
